

ASHBURY GROVE

NEW WORLD MELLOW

juicy berries

SOFT

Youthful

2006 Merlot

Challenging weather conditions in 2006 led to ideal ripening conditions and resulted in exceptional fruit quality. This wine shows outstanding fruit concentration and excellent varietal definition.

Deep red/purple in colour, this wine has all the classic hallmarks of an Australian Merlot. An intense bouquet of raspberry, cherry and plum jam characters is supported by subtle hints of blackcurrant and violets.

The palate is rich and warm with soft fleshy tannins, fresh berry fruits and a hint of charry oak leading to a silky smooth finish.

Try this wine with your favourite ribs
