

ASHBURY GROVE

~ R E S E R V E ~

2006 Shiraz

*Situated in the picturesque foothills of Australia's Great Divide,
Ashbury Grove produces premium wines of distinction.*

From a selection of Australian vineyards our winemaker identifies parcels of Shiraz showing exceptional depth and intensity of varietal flavour for our 'Reserve Label.'

The grapes were harvested at night at full ripeness. After crushing and pressing, fermentation temperatures were allowed to reach 27-28°C before being carefully controlled at around 24°C. The wine was then mature in French oak before individual parcels were blended and bottled.

The Wine

The wine is deep red with slight purple hues. The nose is reminiscent of blackberry and liquorice with a cracked pepper spice overtone. The palate is rich and rounded with soft tannins providing a lingering fruit driven finish.

The 2006 Ashbury Grove Reserve Shiraz will reward all lovers of red wine. It is elegant with a soft lingering finish. This wine has the potential to develop further in the bottle if carefully cellared but is drinking well upon release.

Variety: Shiraz

Vintage: 2006

Alcohol: 14.0% alc/vol

pH: 3.53

TA: 7.10g/L

RS: 5.76g/L

Winemaker: Brett Duffin
