2006 Verdelho Chardonnay

Challenging weather conditions in 2006 led to ideal ripening conditions and resulted in exceptional fruit quality. This wine shows outstanding fruit concentration and excellent varietal definition.

Pale straw with subtle green tinges, this wine has all the classic hallmarks of an Australian Verdelho and Chardonnay wine. An intense bouquet of exceptional lively, melon, fresh honeydew and citrus aromas supported by hints of white peach.

The palate is an attractive array of rich tropical and lemon lime flavours. It's fresh and flavoursome with a crisp finish, resulting in a well-balanced sensational wine.

Try this wine with smoked fish or chicken casserole
